REPORT OF TOWN MEETING

March 9, 1982

A meeting of the inhabitants of the Town of North Hampton qualified to vote in Town affairs was held in the School Building in said Town on March 9, 1982. The alphabetical list of the voters, duly subscribed by the Supervisors of the Checklist had been posted and was available. The Moderator, Henry F. Bedford, opened the meeting at 1:00 p.m. and it was moved, seconded, and duly voted that the polls would remain open long enough after the business meeting to permit everyone an opportunity to vote.

Mr. Bedford announced, both at the 1:00 p.m. opening of the polls and again at the opening of the buisness meeting at 7:30 p.m., that a petition had been received, signed by more than 20% of the collective owners of the land affected by Articles XVIII and XX, and that said petition required that a favorable vote on these articles would require a 2/3rds majority to be passed in accordance with RSA 31:64, and that said petition had been received by the Selectmen at 12:23 p.m. on March 8, 1982. He further announced that he accepted this petition and would abide by it.

At 7:30 p.m. the Moderator opened the Business Meeting and again announced that the polls would remain open long enough after the meeting to give everyone an opportunity to vote. He then explained the rules under which he would conduct the meeting and announced that another petition had been received signed by 20 legal voters which would require that all budget increases exceeding the recommendations of the Budget Committee would be by "YES" or "NO" ballot. This also was accepted.

Mr. Richard Lynch moved that Article II be accepted as read. Seconded - Hand vote - MOTION CARRIED.

ARTICLE III: To see if the Town will vote to authorize and empower the Board of Selectmen or a majority of them to sell and convey the real property acquired by the Town by tax sale, and such sale to be at public auction to the highest bidder.

Mr. Robert Southworth moved that Article III be approved as read. Seconded - Hand vote - MOTION CARRIED.

ARTICLE IV: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year pursuant to New Hampshire Revised Statutes Annotated Chapter 31: Section 95-b.

Mr. Robert Southworth moved that Article IV be adopted as read. Seconded - Hand vote - MOTION CARRIED.

ARTICLE V: To see if the Town will vote to accept the reports of Town Officers.

Mr. Robert Southworth moved that Article V be adopted as read. Seconded - Hand vote - MOTION CARRIED.

ARTICLE VI: (Recommended by the Budget Committee) To see if the Town will vote to approve the reallocation of certain allocated but unspent funds from Revenue Sharing in the total amount not to exceed One Thousand Four Hundred Twenty-Two Dollars and Fifty-Six Cents ($1,422.56), which funds arise from unexpended funds in the Police Cruiser Account, unexpended funds from the Town Broom account, and further unexpended funds from previous years.

Mr. Harlan Carter moved that Article VI be approved as read. Seconded - Hand vote - MOTION CARRIED.

ARTICLE VII: (Recommended by the Budget Committee) To see if the Town will appropriate a sum not to exceed Nine Thousand Dollars ($9,000.00) for the purchase of a new police cruiser, and to authorize the withdrawal of not more than Six Thousand Dollars ($6,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, with the balance to be withdrawn from Capital Reserve Fund No. 6, and to authorize the Selectmen to act as agents for the

Town in connection with the purpose for which this fund was established in accordance with New Hampshire Revised Statutes Annoted Chapter 35, Section 15.

Mr. Harland Carter moved to approve Article VII - seconded - and further to increase the amount by $1,250 from Revenue Sharing funds for the purchase of protective body armor for the police - seconded by Walter Lermer - hand vote on the amendment — PASSED. The amended article PASSED by hand vote.

ARTICLE VIII: (Recommended by the Budget Committee) To see if the Town will appropriate the sum of Five Thousand Seven Hundred Dollars ($5,700.00) for the use of the Fire Department; the sum of Two Thousand Two Hundred Dollars ($2,200.00) to be available to refurbish two front rooms in the fire station, One Thousand Dollars ($1,000.00) for necessary body work on Engine 1, One Thousand Five Hundred Dollars ($1,500.00) for energy-saving changes to the heating system, and One Thousand Dollars ($1,000.00) to update Regulators; and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Mr. Carter moved that Article VIII be adopted as read. Seconded - Hand vote - MOTION CARRIED.

ARTICLE IX: (Recommended by the Budget Committee) To see if the Town will appropriate the sum of Ten Thousand Seven Hundred Dollars ($10,700.00) for the use of the Highway Department; the sum of One Thousand Two Hundred Dollars ($1,200.00) to be available for a new lawn mower, Seven Thousand Dollars ($7,000.00) to repair and repave in front of the Town Offices and Fire Station, Two Thousand Five Hundred Dollars ($2,500.00) for costs associated with the new stump dump; and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE X: (Recommended by the Budget Committee) To see if the Town will appropriate the sum of Five Thousand Two Hundred and Fifty Dollars ($5,250.00) for General Town use; the sum of One Thousand Five Hundred Dollars ($1,500.00) to be available for repairs to the shed behind the Town Hall, Two Hundred Fifty Dollars ($250.00) for the purchase of a small second-hand snow blower, One Thousand Dollars ($1,000.00) for the purchase of office furniture, shelving, installation of storm windows, emergency lights, etc., Two Thousand Five Hundred Dollars ($2,500.00) for the purchase and installation of a 2,000 gallon tank for Regular Gasoline; and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Mr. Harlan Carter moved that the Town accept Article X as read. Seconded - Hand vote - MOTION CARRIED.

ARTICLE XI: To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Mr. Harlan Carter read the budget, line item by line item, furnishing explanations where requested. Mr. Byron Kirby, Chairman of the Trustees of Trust Funds and Cemeteries, moved that the $2,000.00 which the Budget Committee had removed from that budget be restored. A "YES" and "NO" ballot vote was cast. "YES" 70, "NO" 75, - MOTION DEFEATED. Considerable discussion ensued regarding the position of Building Inspector, culminating in a hand vote on the question of whether or not the position of Building Inspector as presently constituted met with the approval of the Town. Hand vote - SUBSTANTIAL APPROVAL. Finally Mr. Carter moved, and it was seconded, that the Town raise and appropriate the sum of $874,833.88, which was the budget submitted

by the Budget Committee, and which sum included the Revenue Sharing Amounts passed in Articles VII, VIII, IX, and X. There was a hand vote - MOTION CARRIED.

ARTICLE XII: To see if the Town will vote to allow the semi-annual collection of taxes as permitted by RSA 76:15b, under which part of the taxes shall be due and payable on July 1 of the tax year, and the balance of the remaining taxes assessed on April 1st of that year, minus the payment due on July 1 of that year, shall be due and payable on December 1st of that year.

Mr. Southworth moved that the Town vote for the semi-annual collection of taxes as permitted by RSA 76:15b. Seconded - Hand vote - MOTION DEFEATED.

ARTICLE XIII: To see if the Town will vote to authorize the prepayment of taxes, and authorize the Collector of Taxes to accept payments in prepayment of taxes as permitted under RSA 80:52a.

Mr. Lermer moved that Article XIII be acepted as read. Seconded - Hand vote - MOTION CARRIED.

ARTICLE XIV: To see if the Town will vote to adopt the following solid waste disposal ordinance:

Whereas the Town of North Hampton has contracted with the City of Portsmouth for the incineration of solid waste generated in this Town, the following regulations are promulgated effective July 1, 1982:

Section 1 A. Solid waste is defined, for the purposes of this ordinance, as material collected in North Hampton from residential, commercial, or industrial sources, excluding non-combustible material larger than fifteen inches by sixty-five inches; white goods (washers, refrigerators, etc.); tree stumps; demolition waste; liquids; materials classified as toxic, dangerous or hazardous by the State of New Hampshire and/or the United States Government or their agencies; and combustible materials larger than thirty by seventy-two inches.

B. All solid waste shall only be transported to the Portsmouth incinerator by Permit Holders and their authorized employees who comply with this ordinance.

C. Solid waste which is combustible must be delivered to the incinerator at the Pease Air Force Base and may not be disposed of elsewhere.

D. Solid waste which is not generated in this Town shall not be delivered to the incinerator under the Town's contract with the City of Portsmouth.

Section 2 The Selectmen of the Town of North Hampton are hereby empowered to issue permits for the collection and transportation of solid waste under this ordinance. The applicants for such permits shall file an application on a form prescribed by the Selectmen, to the Selectmen, which shall include the following information:

A. Name, address, experience, and qualifications of the applicant.

B. The kind of equipment to be utilized in making pick-up and delivery of solid waste.

C. Statement by the applicant that all of the regulations issued by the owner and operator of the incinerator and the Town's regulations will be observed.

The permit shall be valid for a period of one year, after which time it may be renewed. The Fee for such permit shall not exceed Twenty-Five Dollars ($25.00).

Section 3 All Permit holders must comply with the following:

A. Vehicles must be properly inspected, be in good mechanical condition, be covered to prevent loss of contents, shall not leak or drip fluids, and shall have a clean appearance.

B. Permit holders shall comply with all requirements of Pease Air Force Base with respect to access to the incinerator.

C. Permit holders shall comply with all applicable regulations of the City of Portsmouth and shall main-

tain types and amounts of insurance required by the City of Portsmouth. Certificates of Insurance shall be furnished to both the City and the Town by the Permit holder.

D. Such other regulations which the Town may institute under this ordinance as become necessary due to conditions or further requirements of the owners and permit holders of the incinerator.

Section 4 Any person, firm or corporation violating any of the provisions of this ordinance, shall, upon conviction, be fined not more than One Hundred Dollars ($100.00) for each day such violation exists.

Section 5 The invalidity of any section or provision of this Ordinance shall not invalidate any other section or provision thereof.

Mrs. Nancy Wright moved that Section 4 be amended to read "...be fined not more than $10.00 per day". Seconded - Hand vote - MOTION DEFEATED. Mr. Lermer moved that the solid waste disposal ordinance be adopted as read. Seconded - Hand vote - MOTION CARRIED.

ARTICLE XV: To see if the Town will vote to adopt the following ordinance regulating the operation of off-highway recreation vehicles:

Ordinance Regulating Operation of Off-Highway Recreational Vehicles

1. This Ordinance regulating the operation of Off-Highway Recreational Vehicles in the Town of North Hampton incorporates herein the definitions as set forth in RSA Chapter 269-C.

2. The requirements of this Ordinance with respect to operation shall be in addition to the requirements of RSA 269-C.

3. No person shall operate an Off-Highway Recreational Vehicle on the land of another person without first having obtained permission of the land owner.

4. No person shall operate an Off-Highway Recreational Vehicle on any public land belonging to the Town of North Hampton or the School District of North Hampton, other than within the limits of rights of way or as permitted by the provisions of RSA 269-C, except in such areas as shall be designated by the Board of Selectmen or the School Board.

5. Any person who violates this Ordinance shall be punished by a fine of not less than $10.00 or more than $100.00 for each offense.

Mr. Charles Bassett moved that Article XV be tabled. Seconded - hand vote - MOTION DEFEATED. It was then moved that Article XV be adopted as read with the exception that RSA 269-C has been superceded by RSA 215-A, and that therefor this RSA identification should be employed. This was seconded. Susan Boies then moved that Article XV be amended to read (in Section 4 only) "...other than within the limits of rights of way or as permitted by the provisions of RSA 215-A, except in such areas as SHALL be designated by the Board of Selectmen or the SCHOOL BOARD WHO ARE INSTRUCTED TO DESIGNATE SPECIFIC AREAS WHICH ARE ADAPTED FOR THIS PURPOSE." This was seconded - hand vote - AMENDMENT CARRIED. Mr. Bassett then moved that Section 3 be removed. This was seconded - hand vote - AMENDMENT DEFEATED. There was a hand vote on Article XV as amended - Article XV as amended PASSED.

SELECTMEN'S ANNUAL REPORT TO THE TOWN

During the past year, the Board a of Selectmen has endeavored to accomplish and continue the strong tradition of providing sound fiscal responsibility and management to all phases of Town government, without limiting necessary municipal services either required or demanded by the citizens of the Town. A delicate balance must be struck in order to achieve that goal and in most instances fulfilling that requirement is both routine and attainable. There are however, trends on the horizon that can indeed have affected the accomplishment of that principle, such instances as State mandated programs that directly assign liability to the Township, as example the care, custody, control of juveniles and the administration of General Welfare.

Of major concern to all citizens, during the past year, including your Board of Selectmen, was the process of re-evaluating all property located within the Town. It is fair to report, that not all of the residents of the Town were either satisfied or comfortable with the results. However, in an effort to explain the process of equalizing the tax structure, the State required that all proeprty be assessed at 100% of fair market value, based upon actual comparable real estate sales occurring within the Town over the past eighteen month period. This was a necessary process, based upon the fact that the State reported at year end 1981, that all property within the Town was assessed at only 28% of fair market value. The Board of Selectmen has currently reviewed all the abatements recieved and will be furnishing the results of that process to the individual residents that objected to or questioned their real estate assessments.

As you are aware, the Board of Selectmen has contracted with the Cablevision Service Company of Exeter for the installation of Cable television within the Town. The Selectmen wish to announce that at present all the necessary permits are now in place and in full force and

effect and that construction will be completed within the specified time frame outlined and accepted by the parties in the contractual agreement.

In addition, the Selectmen are pleased so far with the results of the solid waste program and our involvement with the city of Portsmouth which spearheaded the Pease AFB refuse to energy concept.

A special note of thanks is due to all Town employees for their untiring effort and efficiency in fulfilling their individually assigned responsibilities. Each of our department heads deserve special mention for their continued efforts in controlling and remaining within their approved budgets.

In closing, the Selectmen wish to thank the many dedicated citizens, both paid and unpaid, who have contributed so much to the continued success and management of North Hampton.

Richard J. Lynch, for the Selectmen

MATTERS OF INTEREST

OFFICE HOURS

The Town Offices, Selectmen's Office, Town Clerk's Office and Tax Collector's Office are open on the days and times posted on the front door of the Town Offices Building.

POSTING OF NOTICES

Notices of meetings of the Planning, Zoning, Conservation, Budget Committee, and like organizations are normally posted inside the front door of the Town Office Building and in the Post Offices. They may, in addition, when required, appear in the Portsmouth Herald, or other papers.

SELECTMEN'S MEETINGS

The Selectmen meet the 2nd and 4th Monday evening of each month commencing at 7:30 p.m. Any person wishing an appointment should contact the Administrative Assistant before 4:00 p.m. (964-8087) to be placed on the agenda. The reason for this is that the Department Heads normally make their reports first and this system saves waiting time. However, all persons are welcome to attend all meetings and are urged to do so.

PROPERTY INVENTORIES

Property Inventories are no longer required.

VETERAN'S EXEMPTION FORMS

Veterans who request an exemption are required by law (RSA 72-33) to fill out Form A-2 (the green sheet), on which is recorded their war record. Once these arefilled out they become a permanent part of the individual's record, and they are not required to be filled out annually.

ELDERLY EXEMPTIONS

Interested parties are urged to consult with the Town Administrative Assistant.

SOLAR EXEMPTION

The green form mentioned above must also be filled out for this exemption, after which inspection is usually made. Again, this must be checked off on the Inventory Form.

WIND EXEMPTION

The Town has not voted on this matter yet and no exemption is allowed.

CURRENT USE

Current Use Forms must be completed by April 15th of each year. Once Current Use is allowed it is not necessary to fill out the form again. If the land is sold a "Use Change Tax" is assessed.

AUDITOR'S LETTER OF TRANSMITTAL

The Board of Selectmen
The Town of North Hampton
Atlantic Avenue
North Hampton, New Hampshire 03862

We have examined the financial statements of the Town of North Hampton, New Hampshire, for the fiscal year ended December 31, 1982, in accordance with State of New Hampshire R.S.A. 71-A:19. Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library Trustees, and Trustees of Trust Funds.

As a part of our examination, we reviewed and tested the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing, and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition and reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived, and also recognizes that the evaluation of the factors necessarily requires the use of estimates and judgments by town officials.

In conjunction with our audit report dated February 14, 1983, we noted the following:

A.) <u>Fees, Departmental Income and Other Revenues</u>

Receipts from various town departments, employees, and governing units were submitted to the town treasurer withour proper control documentation. This applies specifically to receipts from the Planning and Zoning Boards.

To insure positive control of revenues we recommend that the selectmen institute a pre-numbered, duplicate, voucher receipt system for fees and departmental income. Fees and other revenue can then be submitted to the town treasurer with a duplicate copy of the receipt voucher to provide proper control of these revenues. In addition, control procedures must be provided to assure that all receipts are submitted to the treasurer on a timely basis.

In closing, we compliment and thank the selectmen and staff of the Town of North Hampton for their excellent assistance during the course of our audit.

The Board of Selectmen

North Hampton, New Hampshire 03862

We have examined the combined financial statements of the Town of North Hampton, New Hampshire, as of and for the year ended December 31, 1982. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described more fully in Note 1, the combined financial statements referred to above, do not include property, plant, or equipment asset balances and corresponding depreciation accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that the omission of the accounts described above results in an incomplete presentation, as explained in the preceding paragraph, the combined financial statements referred to above present fairly the financial position of the Town of North Hampton, New Hampshire, at December 31, 1982, and the results of its operations and changes in financial position of its proprietary fund types for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

TOWN OF NORTH HAMPTON
Notes to Financial Statements
Year Ended December 31, 1982
(audited)

Note 1.) Summary of Significant Accounting Policies:

The accounting policies of the Town of North Hampton conforms to generally accepted accounting principles for local governmental units except as indicated hereinafter. The following is a summary of significant accounting policies.

Basis of Accounting

The accrual basis is used for all fiduciary funds. Governmental funds utilize the modified accrual basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis) except:

A. Disbursements for inventory items (materials and supplies) are considered expenditures at the time of purchase.

B. Prepaid expenses are not normally recorded.

Property, Plant, and Equipment

Property, plant, and equipment acquired or constructed for general government services are recorded as expenditures in the fund making the expenditure. Funds used to require general fixed assets and/or debt service payments on borrowing in connection therewith are accounted for as expenditures in the year payments are made. This is contrary to generally accepted accounting principles which require that general fixed assets be capitalized and accounted for in a separate fixed asset group of accounts.

Investments

Investments are stated at cost.

Types and Purpose of Funds

A. General funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.

B. Special Revenue Funds - used to account for specific restricted revenues and expenditures for various purposes. Receipts and expenditures of each fund are governed by the terms of contractual agreements, statutes, or local law.

C. Other Governmental Unit Funds (Agency) - The town collects taxes for the Winnacunnet School District, Rockingham County, and the Little Boars Head Precinct as required by law. These taxes are accounted for as agency funds. In addition, the Trustee of the Trust Funds is the fiduciary of monies contributed by the Little Boars Head District in the amount of $3,213.26.

Note 1.) Summary of Significant Accounting Policies (continued)

Types and Purpose of Funds (continued)

D. Capital Reserve Funds - Used to account for financial resources to be used for the acquisition or construction of major capital facilities.

Other General Accounting Policies

Retirement System

Several members of the Police Department, Fire Department, and Town Office are members of the New Hampshire Retirement System. Under this plan, participants contribute annually a percentage of compensation which is fixed by law and dependent upon age when contribution begins. The Town's contribution rate for normal cost of the plan is based upon an actuarial valuation of the state plan as of June 30, 1982, at varying rates by occupation. The Town has no past service cost obligation. The total pension cost to the Town for the year was $30,135.

Note 2.) Long Term Indebtedness and Town Borrowings

The town, on a short term basis, borrowed $900,000 in anticipation of taxes during 1982. The amount was fully paid prior to year end.

Note 3.) Non-Expendable Fund Balances Reserved for Endowments

The Trustee of the Trust Funds is the fiduciary of certain non-expendable, limited purpose, trust funds as restricted by the terms of the grantors. Only the income earned may be expended. The trustees non-expendable trusts are listed as fiduciary trust funds. The amounts of trusts and purpose as of December 31, 1982 were:

	Principal	Designated	Undesignated
Cemetary Endowments	$ 68,281.12	$	$ 6,868.75
Library Endowments	1,000.00		
School Endowments	5,000.00

TOWN BUDGET

THE STATE OF NEW HAMPSHIRE

TOWN OF NORTH HAMPTON

TOWN WARRANT FOR 1983

L.S.

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the School Building on Atlantic Avenue, in said North Hampton on Tuesday, the 8th day of March, 1983 at one o'clock in the afternoon, business meeting to begin at 7:30 p.m., polls to close at 7:30 p.m. and to reopen at the close of the business meeting, remaining open until all who wish to have voted; to act upon the following subjects:

ARTICLE I. To choose one Selectman for a term of three years, one Town Clerk, one Town Treasurer, one Collector of Taxes, and all necessary Town Officers for the ensuing years.

ARTICLE II. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money in anticipation of taxes.

ARTICLE III. To see if the Town will vote to authorize and empower the Board of Selectmen or a majority of them to sell and convey the real property acquired by the Town by tax sale, any such sale to be at public auction to the highest bidder.

ARTICLE IV. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year pursuant to New Hampshire Revised Statutes Annotated Chapter 31: Section 95-b.

ARTICLE V. To see if the Town will vote to accept the reports of Town Officers.

ARTICLE VI. (ON THE OFFICIAL BALLOT)
Are you in favor of amending the Zoning Ordinance of the Town of North Hampton, Section 406, Yard and Lot Requirements, by deleting the minimum frontage dimension of 175 feet in the table for the R1, R2, and R3 districts and substituting therefor the dimension of 200 feet.

ARTICLE VII. (RECOMMENDED BY THE BUDGET COMMITTEE)
To see if the Town will appropriate a sum not to exceed Eight Thousand Six Hundred Fifty ($8,650.00) Dollars for the purchase of a new police cruiser, and to authorize the withdrawal of not more than Five Thousand Five Hundred ($5,500) Dollars from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, with the balance to be withdrawn from Capital Reserve Fund No. 6, and to authorize the Selectmen to act as agents for the Town in connection with the purpose for which this fund was established in accordance with New Hampshire Revised Statutes Annotated Chapter 35, Section 15.

ARTICLE VIII. (RECOMMENDED BY THE BUDGET COMMITTEE)
To see if the Town will appropriate the sum of Two Thousand Fifty-Six ($2,056.00) Dollars for the Police Department for the purchase of a Radar Unit and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Should any grant be available to aid in the purchase of said Unit, excess funds would be returned to the Revenue Sharing Fund.

ARTICLE IX. (RECOMMENDED BY THE BUDGET COMMITTEE)
To see if the Town will appropriate the sum of Four Thousand Seven Hundred ($4,700.00) Dollars for the use of the Fire Department to purchase the following: Portable Radios, Two Thousand One Hundred ($2,100.00) Dollars; Extension of fire alarm system, Two Thousand ($2,000.00) Dollars; Paint for Station, Six Hundred ($600.00) Dollars; and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE X. (RECOMMENDED BY THE BUDGET COMMITTEE)
To see if the Town will appropriate the sum of Eleven Thousand Five Hundred ($11,500.00) Dollars for the use of the Highway Department for the following: To start a Capital Reserve Fund for the purchase of a truck, Five Thousand ($5,000.00) Dollars; For the purchase of a spreader, Six Thousand Five Hundred ($6,500.00) Dollars; and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE XI. (RECOMMENDED BY THE BUDGET COMMITTEE) To see if the Town will appropriate the sum of Two Thousand Two Hundred ($2,200.00) Dollars for the following: Nine Hundred ($900.00) Dollars to purchase interior lights, exterior paint, and general repairs for the Town Office Building; Five Hundred ($500.00) Dollars to purchase tables for the Town Hall; Eight Hundred ($800.00) Dollars for general maintenance of town buildings; and to authorize the withdrawal of that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE XII. (RECOMMENDED BY THE BUDGET COMMITTEE) Based upon a Petition and Subsequent presentation to the Board of Water Commissioners, duly elected by the Town of North Hampton, to see if the Town will vote to raise and appropriate the sum of Fifty-Seven Thousand Four Hundred ($57,400.00) Dollars, for the extension of the water line along Route 1 - North, from its present terminus to the Rye, New Hampshire line and authorize the withdrawal of Seventeen Thousand Seven Hundred Ninety-Nine ($17,799.05) Dollars and Five Cents, including any additional accrued interest, from Capital Reserve Fund No. 2, (WATER), established in 1945, and to further authorize the Selectmen to act as Agents for the Town in connection with the purpose for which this fund was established in accordance with New Hampshire Revised Statutes Annotated Chapter 35: Section 15, with the balance of Thirty Nine Thousand Six Hundred ($39,600.95) Dollars and Ninety-Five Cents to be raised by a Bond issue amortized over a five year period; all monies received by the Town as compensation from the Hampton Water Works shall be reimbursed to Capital Reserve Fund No. 2.

ARTICLE XIII. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

ARTICLE XIV. To see if the Town will vote to adopt the following Town Ordinance, pursuant to RSA 31:60-a:

Unvented Space Heaters

1. It is unlawful to use any unvented space heaters in places of public assemblies, educational facilities, medical facilities, day care centers or kindergartens.

2. It is unlawful to use any unvented space heaters in areas used for sleeping accommodations either in a home, hotel or motel within the Town of North Hampton.

3. It is unlawful to use any unvented space heater in any building without the installation of smoke/heat detectors and the installation of approved fire extinguishers.

4. Any person, firm, corporation or association found to have violated this Ordinance shall be subjected to a fine of not more than One Hundred ($100.00) Dollars per day for each day that said violation exists.

ARTICLE XV. To see if the Town will vote to adopt the following Town Ordinance, pursuant to RSA 31:60-a:

Licensing and Regulation of Amusement Devices.

PURPOSE. For the purpose, and in furtherance of promoting and protecting public decency, securing of the public safety, promoting the preservation of the public peace and order, and in advancement of the public welfare and interest, "Amusement Devices" as defined herein shall be subject to the following regulations.

DEFINITION. "Amusement Device" shall mean any machine which, upon the insertion of a coin, slug, or token, may be operated by the public for use as a game, entertainment or amusement whether skill or scores are used in its operation. The term does not include machines which are solely for vending, riding or for producing music.

1. No person, firm, corporation, or association may maintain or allow to be operated any amusement device without first obtaining a license from the Board of Selectmen.

A. The applicant shall pay $10.00 per year or any part thereof per device. The applicant may remove and replace any device without payment of any additional fee.

B. Licenses shall be effective from the date granted until the following April 1st. Each license will be reviewed annually by the Board of Selectmen. The applicant shall file, prior to March 1st an application accompanied by the requisite fee. Said application shall contain a certification by the applicant that his operation under the existing license has been in compliance with the provisions of this Ordinance. The Selectmen shall review and act upon said renewal applications prior to April 1st.

C. Such license may be revoked or suspended at any time upon a determination by the Board of Selectmen that non-compliance with the provisions of this Ordinance has been committed by the license holder or his representative.

D. Amusement devices shall only be located in the industrial Business Zone.

2. The following requirements must be met as a condition of the granting of the permit:

A. No person under the age of thirteen years shall be allowed to operate any amusement device unless accompanied by an adult who is responsible for such minor. It shall be the duty of the licensee or his representative to ensure compliance with this and all other regulations.

B. No prizes or rewards based on the results of a game shall be awarded with the exception of free games.

C. No minor, unless accompanied by an adult who is responsible for such minor, shall operate an amusement device between the hours of 11 P.M. and 9 A.M. No minor under the age of thirteen years, unless accompanied by an adult who is responsible for such minor, shall operate an amusement device between the hours of 9 P.M. and 9 A.M.

D. An adult who is responsible for the control of the amusement devices on any premises shall always be present during the time said premises are open to the public. A list of such persons shall be filed with the Chief of Police prior to the operation of any amusement device and shall be kept current by the licensee.

3. Any person, firm, corporation or association found to have violated this Ordinance shall be subject to a fine not exceeding One Hundred ($100.00) Dollars.

4. The Selectmen may establish from time to time such additional requirements as may effectuate the purpose of this Ordinance.

ARTICLE XVI. To see if the Town will vote to adopt the following Town Ordinance, pursuant to RSA 41:11 and 47:17, Section VII and Section VIII.

NO THROUGH TRUCKING ON LOVERING ROAD.

In order to preserve the safety of Lovering Road, and in consideration of the road bed and surface, as of this date through trucking by trucks over 8 tons in weight is prohibited on said Road. The penalty for violations of this Ordinance shall be a fine not exceeding One Hundred ($100.00) Dollars for each violation.

ARTICLE XVII. To see if the Town will vote to adopt the following Town Ordinance, pursuant to RSA 41:11 and 47:17, Section VII and Section VIII.

TRAFFIC CONTROL OF PUBLIC STREET.

In order to preserve the safety of the streets and highways within the Town of North Hampton, the following shall apply:

1. Any person or persons who shall sponsor or cause to be held, a social, commercial or charitable function within the Town of North Hampton, which will cause or is likely to cause the interruption of traffic which will constitute or is likely to constitute a hazard to the public safety, shall employ at his own expense one or more public officers as may be determined by the Police Chief to control said traffic or safety hazard.

2. Any persons working on or causing equipment to be placed on or near any street or highway within the Town of North Hampton as to constitute a traffic hazard or a danger to the public safety, shall employ at his own expense one or more police officers as may be determined by the Police Chief to control said traffic or danger. This section shall not preclude the need for street opening permits and related documents when required.

3. Any person, firm, corporation or association found to have violated this Ordinance shall be subject to a fine not exceeding One Hundred ($100.00) Dollars.

ARTICLE XVIII. On petition of Helen Coorssen and ten of the legal voters of the Town of North Hampton, to see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of North Hampton, and to the health and welfare of the people of North Hampton.

These actions shall include:

1. Reduce by at least half the major cause of acid rain, sulfur dioxide emissions, by the year 1990.

2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal.

The record of the vote on this Article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States.

ARTICLE XIX. To transact any other business that may legally come before this meeting.

GIVEN under our hands and seals this 15th day of February, in the year of our Lord, Nineteen Hundred and Eighty-Three.

REPORT OF THE LIBRARY TRUSTEES OF THE NORTH HAMPTON PUBLIC LIBRARY

The year 1982 was one of activity and change in the Library. Librarian Mary Pettus took a leave of absence for a year, with assistant librarian Sally Reed ably filling her place. Robin LeBlanc joined the staff as assistant/children's librarian. Katherine Southworth was elected for the two year term as trustee. Christine Blake was elected for the three year term; when she resigned in the fall, Marie L. Gainer was appointed to replace her.

The librarians and trustees began a program of reviewing and revising library policies and programs. Several specific changes were made during the year: In a continued effort to conserve energy, the Library began experimenting with closing on Tuesday as well as Thursday during the winter months. The McNaughton Book Rental Plan was deemed unsatisfactory and was dropped. The Library was instrumental in instituting the Seacoast Cooperative Card (replacing the defunct State Library Card.)

A number of problem areas in the building itself were tackled this year—roof leaks, ceiling tiles, and a broken window. In 1983 the trustees and librarians will cope with the continued problems of plumbing and parking.

In the fall the librarians and trustees met with representatives of the Friends of the Library to discuss mutual goals. The Friends, continuing their generous support of the Library, sponsored the international soups luncheon, the pajama party for first graders, and the ham and bean supper. Their successful fundraising enabled them to provide the Library with such varied items as museum passes, an adding machine, a desk for the children's area, and the repainting of the Roberta Craig Room.

There were many noteworthy events in the Library this year, including a successful book sale in August, the "Banned Book Week" display in September, the ongoing children's programs, classes in chair caning, rug braid-

ing, and other crafts, and numerous group meetings. Many of these programs brought new faces to the Library this year. We hope that in 1983 all Library patrons, old and new, will continue to visit and use the Library, and to support its role in North Hampton life.

REPORT OF THE FIRE DEPARTMENT OF THE TOWN OF NORTH HAMPTON
For the Year 1982

The North Hampton Fire Department responded to 149 calls of various causes for the year, down somewhat from the previous year. These calls consisted of 43 reported structural fires, 35 mutual aid, 32 auto accidents with personal injury, 20 miscellaneous, 10 grass and woods, 2 public assists, and 8 automobile fires.

The fire department dispatched 149 fire calls and 136 ambulance calls for a total of 285. Also this year, the North Hampton Firemen's Association voted to sponsor all the Scouting programs in town. We had such good response with the Cub and Boy Scout program that we have now chosen to sponsor the Explorer Post. The Firemen's Association is pleased to see many boys in North Hampton participate in the scouting program. We thank all of them for the opportunity to sponsor a very good scouting program in town.

Again this year I would like to thank everyone who has helped the North Hampton Fire Department and to invite anyone interested to stop in the station any time and see the equipment the department has. We say this every year in our report and we see very few Towns people stopping and asking questions about our department and our needs in the future years.

REPORT OF TOWN FOREST FIRE WARDENS AND THE STATE FOREST RANGER

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N.H. Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss on one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

REPORT OF THE POLICE DEPARTMENT OF THE TOWN OF NORTH HAMPTON

For the Year 1982

The Police Department would like to take this opportunity to thank its many supporters over the years and especially the North Hampton Women's Club for their most generous donation to the North Hampton Police Association which enabled us to purchase needed equipment.

The department records show that in the year 1982 theft and burglaries have both increased. Thefts by 26% and burglaries by 10%. There have been 128 motor vehicle accidents resulting in one fatality. There have been two armed robberies, both of which were in residences.

In these times we urge you to report promptly any suspicious persons or activity in your neighborhood and to be aware of what is happening around you. The best way to combat crime is through community cooperation with the police.

The Police Department would once again thank the other departments in town for their excellent support and cooperation. We would again encourage the people of the town to stop by with any suggestions and hope for the continuing spirit of cooperation we have pleasantly experienced in the past.

Respectfully submitted,

Bruce Golden
Chief of Police

REPORT OF THE NORTH HAMPTON AMBULANCE CORPS

For the Year 1982

Another year has passed, and again the volunteer crews of the North Hampton Ambulance Corps have answered 137 requests for their services; as ever, a mixed bag of accidents and illnesses which seem to come to us all at one time or another.

North Hampton is indeed fortunate to have skilled Emergency Medical Technicians, Advanced First Aid personnel, and an ambulance fully equipped with life saving devices.

Unfortunately, I must tell you that unless we have more of you to volunteer for training and work on the ambulance, I fear all will not be as it has been in the past. Indeed, unless we do have more personnel, and soon, it is possible the consequences may be most disturbing for those who depend upon us. Do please consider the urgency in this paragraph.

Our sincere thanks go to all the good people who support us with their thoughtful donations, to our true and helpful allies in the Police and Fire Departments, and last but by far not the least, the slate of Corps officers who have supported me and the Ambulance Corps over the past two years.

To you all, a pleasant and healthy New Year.

Respectfully,

Nancy L. Carter
President

REPORT OF THE CONSERVATION COMMISSION FOR THE TOWN OF NORTH HAMPTON

A conservation commission is a municipal body which has been established by vote of the Town Meeting for the protection and proper use of natural and watershed resources.

The natural resources of North Hampton have been reviewed and identified. Through the efforts of your Commission this information has been applied to the Town Soils Map. The mapping project has been a continuous one for the Conservation Commission. It is our hope that information relating to our natural resources and soil types will be made quite clear to all concerned and that these maps will become a useful tool for other municipal boards as well as for residents and developers.

1983 is to be nationally declared "the Year of the Forest." The concept of a Town Forest in North Hampton is an intriguing and one which is under constant study by our Commission. At present, however, it is just a concept.

Land protection can be carried out in many ways. There are certain parcels of land in North Hampton which have been donated by private citizens. These parcels are to be managed and protected, and through the use of sound environmental practices to be passed on to the future. Many New Hampshire towns run very successful programs of this nature. They acquire large parcels through donations or by means of local land trusts. This type of land protection is not uncommon and we hope to encourage it in our Town. Last year several thousand acres in New Hampshire were acquired this way.

Presently plans are being developed by your Commission to "manage" one of our parcels so that the intent of the donor may be realized.

During 1982 the Conservation Commission worked continually with the New Hampshire Wetlands Board and other boards to protect our valuable resources. We realize, as we are sure you do, that once natural resources such as our marshes and other wetlands are destroyed, they can never be replaced. Our efforts have been to preserve a healthy environment and to maintain a reasonable balance between conservation and development.

Respectfully submitted,

Helen Coorssen, *Chairman,*
North Hampton Conservation Commission

REPORT OF THE NORTH HAMPTON CIVIL DEFENSE AGENCY

Lately, the subject of Civil Defense has been receiving much attention. The administration, through the Federal Emergency Management Agency, has been developing several programs. New Hampshire has increased its Civil Defense staff to more than 20 permanent members and now has a state budget in excess of $150,000. It is obvious that Civil Defense is very important.

The major emergencies that are most talked about are: A potential Nuclear attack — which is a national program. Possible Nuclear meltdown coming from a Nuclear Energy facility — which is a local problem (Seabrook plant). However there are additional problems that require C/D planning: Natural disasters — hurricanes, winter storms. Oil pollution — off shore accidents. Toxic chemical pollution — transportation accidents, etc. And, of course, we assume there are Nuclear weapons at Pease and at the Navy Yard. There is one common theme that all these emergencies have — The civilian population must be provided with the greatest adequate warning and well conceived protection.

In the spring of 1979, the North Hampton selectmen developed a "Disaster Plan" based upon considerable study and work by Fire Chief Goodwin and Police Chief Golden. This plan was recently reviewed by a C/D staff member who indicated strongly that it was well conceived and very thorough. This plan is in the process of being brought up-to-date, to conform with modern improvements.

Since my appointment in mid December 1982, I have participated in a state sponsored Crises Relocation Exercise, in which many procedures were suggested by the state C/D executives for the various seacoast communities. This will be the first of many such exercises because the recommendations and procedures outlined still have many important questions as yet unanswered.

Recently I arranged for a New Hampshire C/D staff member to come to North Hampton for a thorough discussion of communication, transportation, pollution and radiation measurement within our community. (A selectman and 3 department heads attended). In addition official procedures for contacting the appropriate federal and state agencies were reviewed.

Finally, it is important to meet with the other local C/D directors in the seacoast area in order to benefit from their experiences, review their plans and make certain that our program and theirs are compatible. Because North Hampton is an important link in the seacoast chain of communities, this information exchange should be on a continuous basis.

I shall keep the community advised, through contact with the selectmen, on all developments and information as it is released from the federal and state C/D agencies.

Respectfully submitted,

Simon Tager

REPORT OF THE NORTH HAMPTON HIGHWAY SAFETY COMMISSION

It has been a quiet year for the North Hampton Highway Safety Commission. Thanks to the efforts of the Police Department, Fire Department, Highway Department, Selectmen and school personnel, a great deal of attention has been focused on highway safety. Townspeople are most fortunate to have such dedicated and concerned public officials.

This is not to suggest, however, that all hazards have been eliminated. Particular problems exist in the following areas: Cedar Road overpass, Atlantic Avenue overpass, South and Post intersection, North and Lafayette intersection, the Lafayette Road intersection for the Village Shopping Center, and the intersection of Hobbs, Elm and Lafayette Roads. The greatly increased business at the Discount Shopping Center is good news for local business, but it also increases the likelihood of accidents.

Pedestrians and bicyclists using our roadsides face an increasing amount of traffic. Motorists are urged to slow down whenever approaching a pedestrian or bicyclist. The old adage, "Walk left, Bike right," continues to be excellent advice for walkers and cyclists.

The Highway Safety Commission will continue to work in unison with the municipal departments trying to make our roads and highways safer. The roads will be truly safe, however, only when those using them maintain safe attitudes and practices.

Townspeople are urged to contact the Highway Safety Commission regarding any matters of safety on our roadways.

Respectfully submitted,

Jeffrey A. Hillier
Chairman

REPORT OF THE
SEACOAST VISITING NURSE ASSOCIATION

During Fiscal Year 1981-1982 our agency made a total of 1,132 visits to residents of North Hampton, as follows:

	Fiscal 1981-82	Fiscal 1980-81
Nursing	894	995
Physical Therapy	105	95
Aide	133	36
	1,132	1,126

Of these calls, 347 were made free of charge or at a reduced fee. It remains the policy of the Agency that no one is refused services because of inability to pay. Fees are scaled or care is provided on a no-charge basis when necessary.

Currently 26 children are enrolled in our Well Child Clinics which are held twice a month to serve children from birth to six (6) years from families who meet federal income guidelines (O.M.B.). Dental Clinics (staffed by Dental Hygienists from the state) are held twice a year for these children, ages three (3) to six (6) years.

We have 146 North Hampton residents come to our office for free blood pressure monitoring and to discuss any diet or health problems which may be concerning them.

Our staff consists of six (6) full time Registered Nurses, three (3) part-time Registered Nurses, a Physical Therapist, a Home Health Aide, a Speech Therapist, a bookkeeper and a secretary. Additional Home Health Aides are available, under contract from the Area Homemaker Home Health Aide Agency, when the need arises.

REPORT OF THE RECREATION COMMISSION, 1982

The North Hampton Recreation Commission designed and oversaw a six week Summer Recreation Program in 1982, with a total registration of 82 children, age 6-13. Each family paid a fee, which helped to cover the expense of the program. The number of children participating was an increase over the previous year, but also included for the first time those children who were entering first grade in September.

The program ran Monday through Friday, 9 A.M.-12 Noon, supervised by four part-time individuals, and consisting of daily arts and crafts projects, physical games and exercises; special trips to Pawtuckaway State Park and Hampton Beach State Park; cooperative activities with the Rye and Hampton Recreation Programs; and an end-of-Summer Beach Day.

In an attempt to expand our services beyond the Summer, we offered a recreation program to 6, 7 and 8 grade students, 3 mornings during the Christmas vacation, supervised by one person. We also offered a one day ski trip to students in grades 7, 8, 9, and 10, but this was cancelled due to lack of snow.

The Recreation Commission would like to thank the North Hampton Elementary School, and its School Board, for their cooperation and generosity in granting permission to the Summer Program to use their premises and athletic equipment.

Dearborn Park continued to give enjoyment to townspeople of all ages during 1982 through the use of the 3 tennis courts, and the playing field for softball and soccer. Various minor maintenance problems were taken care of; with the donated efforts of the Boy Scouts, 5 new trees were planted in the windbreak; and the new softball backstop arrived, to be installed by Spring.

The members of the Recreation Commission are open to suggestions and ideas which might enhance or improve either the Recreation Program or Dearborn Park.

REPORT OF THE NORTH HAMPTON MOSQUITO CONTROL COMMISSION, 1982

Freshwater breeding site surveillance began on April 16th and larviciding to control spring species of mosquitoes commenced on on April 24th. The first salt-marsh treatment occurred on May 1st. This was the first year that a spring survey and larviciding program was undertaken in North Hampton. (In previous years the program did not get underway until the first week of June because of the unavailability of qualified, full-time help in the spring.) A spring program is very important as anywhere from 30 to 60% of a town's overall mosquito population is made up of these 13 species of "spring brood" mosquitoes which are present as immature larvae in stagnant water during April and May. This percentage changes from year to year depending on amounts of snowfall, rainfall and other climatic variables.

When breeding was detected, larval samples were taken and identified (24 different species exist in our area, some of which do not bite man.) Adult populations were monitored weekly, throughout the summer, using the CDC light traps accompanied with a CO_2 attractant (dry ice).

Statistically, of the adult mosquitoes caught and identified this summer, 27% were of the spring freshwater group and only 11% were of the summer salt-marsh group. The problem species this year were *Mansonia perturbans* (31% of total) and *Aedes vexans* (22%). Both are summer, freshwater species that were probably so numerous due to the heavy rainfalls received in late May and June. The week of July 6th was the worst of the summer, mosquito-wise, due to the adult emergence peaks of these two species (they were 86% of that week's total). Populations dropped to normal levels for the rest of the summer except for a second heavy emergence peak of *A. vexans* during the second week of August and the relatively high number of the Eastern Equine Encephalitis vector, *Culiseta melanura* present at the end of August. On a yearly basis,

C. melanura represents much less than 1% of the mosquito population in North Hampton but is important to be aware of because of its medical importance (EEE can be fatal to horses and humans).

The adulticiding phase of the program (spraying public roads in the evening) started on June 15th and lasted until September 14th. Spraying was done on 25 separate nights and the whole town was completed 12 times during the summer.

In the area of public relations and education, articles were printed in the *Hampton Union, Atlantic News,* and the *N.H. Times* explaining what Mosquito Control is all about. The supervisor was interviewed on radio station WMYF (Exeter) and has spoken to several science classes at WHS, the Bush & Bud Garden Club, and other local civic groups. The supervisor is available in the off-season to any organization that wants to know about mosquito control.

I would like to thank my assistant, Marsden Simmons, for his excellent work and dependability throughout the season and also the Mosquito Control Commission and Board of Selectmen for their cooperation throughout the year.

REPORT OF THE AUDITORS

To the Members of The School Board
North Hampton School District
North Hampton, New Hampshire

I have examined the combined financial statements and the individual fund and account group financial statements of the North Hampton School District as of and for the fiscal year ended June 30, 1982, as listed in the foregoing table of contents. My examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above, do not include financial statements of the General Fixed Asset group of accounts, which should be included to conform with generally accepted accounting principles.

In my opinion, except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the individual fund and account group financial statements referred to above present fairly the financial position of the North Hampton School District at June 30, 1982, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

My examination was made for the purpose of forming an opinion of the combined financial statements taken as a whole and on the individual fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the North Hampton School District. The information has been subjected to the auditing procedures applied in the examination of the combined, individual fund and account group financial statements, and in my opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I submit, herewith, the annual administrative report for your School District.

The North Hampton Elementary School children and faculty enjoyed a rewarding and successful year.

In addition to the regular instructional program, an activity program was introduced and implemented in grades Readiness through eight. The purpose of the program is to enrich the children's school experience and to introduce them to possible leisure-time activities throughout their lives. Through the dedicated efforts of the faculty and volunteer parents, the program is enjoying success and continues to be one of the highlights of the school week.

Computer literacy has become a major goal at North Hampton. The School now owns six TRS-80s, a printer, a networking system and various software. Two micro-computers were purchased through a gifted/talented grant and a block grant awarded by the New Hampshire State Department of Education, two by the North Hampton Boosters' Club, and two through the school budget. Grant money has also allowed for in-service training of teachers and parents, and for hiring a library aide to allow the librarian more time to work to coordinate programs for students with special talents and interests.

Three of our staff members received training in Computeronics, a computer literacy curriculum, which they are offering as a nine-week course to students in grades 6-8. The micro-computers are located in the Resource Room and are also used by children in all grades for remediation and enrichment purposes. The excitement engendered by the computers has provided unusual motivation for learning and creativity. However, in order to fulfill our computer literacy goal for all, additional in-service training for teachers is planned.

Curriculum deliberations in the language arts and mathematics are ongoing as well as committee work on the gifted/talented. Faculty meets regularly in these areas in order to improve instruction, diagnose problem areas, and to plan new activities and programs. Commitment to quality instruction is high at North Hampton.

Academic excellence continues to receive major emphasis. An honor roll award system has been established to recognize academic achievement and outstanding citizenship. In addition, staff are encouraged to recognize achievement and to signal academic problems through a new format for mid-term reports. Students have responded well to both the awards and the reports.

North Hampton Elementary School continues to be committed to its goal of providing the children with the best education possible based on their needs, abilities, and interests. However, it would not be possible to meet this goal if it were not for Dr. Krysiak, dedicated teachers, supportive parents and community members, and a responsive School Board.

It has been a very good year.

Respectfully submitted,

Richard C. Hamilton, Ed.D.
